

I have... Who has?

Canada Games

1. Print and cut cards.
2. Distribute one card per student.
3. Choose a student at random to start the round. This student states the sport on their card as well as the question. E.g., "I have badminton. Who has curling?"
4. The student holding the corresponding sports card answers and asks the question for the next sport.
5. The game continues until the last student asks who has the first sport mentioned.
