

Sporting mimes

Procedure

- Separate the group into 2 lines behind a line.
- Place mime cards face down on the floor at the end of the corridor.
- The first player from each team runs to draw a card.
- While returning to his team, he mimes the subject of the card to make the others guess it.
- If the group guesses before reaching the line, the card is kept, otherwise it is put back into play.
- The player goes to the end of the line and the second player runs to draw a card.
- The team that collects the most cards wins the game.
